➔ Led the creation of an interactive platform offering detailed travel information and user-specific roles for a seamless experience.

➔ Designed an engaging interface, including dynamic homepage elements, interactive guides, and a vibrant tour type section.

➔ Implemented a secure login system and personalized dashboards for users, tour guides, and administrators.

➔ Developed visually captivating Package Details Pages and Tour Guide Profiles with interactive elements for user engagement.

➔ Established a robust Admin Dashboard for streamlined control over user roles, adding packages, and managing users effectively.

➔ **User Authentication:** Users can create accounts, log in, and log out securely. Authentication ensures that users can access private pages.

- ➔ **Product Catalog:** The website offers a diverse catalog of plumbing services, including toilet, home, kitchen, and drain. Users can browse based on their preferences.
- ➔ Logged-in users can save their favorite products to a saved item for easy access and future reference. This feature simplifies the shopping experience and encourages users to return to their saved items.
- ➔ **dashboard:** The website includes a rewards program that allows users to earn points with each purchase. Users can redeem these points for discounts and exclusive offers, promoting customer loyalty.
- ➔ **Private User Pages:** Logged-in users can access private pages like services detail, rewards, and saved items. These pages provide a personalized experience and encourage repeat visits.
- ➔ **Responsive Design:** The website is responsive and mobile-friendly, ensuring a seamless user experience on various devices, including smartphones and tablets.

Certifications

Complete web development with Programming Hero
Batch-8

Jun 2023 - February 2024

Education

JAMIA ISLAMIA RAYPUR MAMROKPUR ISLAMIC UNIVERSITY
Islamic studies, Miskaat.

Moulvibazar, Sylhet
2016 - 2019

Interests
